00000000 (0) / 0000 0000		0000 0000 0000 0000 (0)

DATE / DIVISION	
-----------------	--

Genomic map of the 100 kb region around the 100000000 bp mark on chromosome 1. The map shows various genomic features including genes (e.g., LOC100289100, LOC100289101), exons (black boxes), introns (lines), and regulatory elements (arrows). The scale bar at the top indicates the distance in kb from 0 to 100. The gene names are listed below the map.
