

This architectural site plan depicts a residential development. The central focus is a large rectangular building complex, with a specific section highlighted by a red outline and labeled '878/2'. To the left of this main complex is a smaller, more intricate building structure. The plan is characterized by a grid of streets and numerous green spaces, some of which are labeled 'travná plocha' (grass area). Various other areas are designated as 'asfalt' (asphalt), 'parkoviště' (parking lot), and 'komunikace' (communication/road). The plan includes detailed annotations such as '878/3', '878/1', '878/4', '878/12', and '878/1' along the boundaries, and '878/2' within the main building complex. The drawing uses a variety of line styles and colors (red, green, blue, yellow) to delineate different zones and features. A legend in the bottom right corner shows a hatched circle and a solid circle. The plan is oriented with a north arrow pointing towards the top right.
